OPEN WATER REFERRAL

The Open Water Referral Course is the quickest and easiest way to complete your Open Water Dive Certification.

Simply contact your local dive shop and complete the theory and confined water training prior to arriving in Grand Cayman. Then, to finish your open water training, head to sunnier climes (Red Sail Sports, Grand Cayman to be precise!) and complete your 4 open water training dives.

All you need to do is bring your PADI Referral Paperwork or Universal/Global referral form from your original instructor confirming that you have successfully completed necessary training.

The referral course takes two days to complete and consists of four open water dives.

Before you start your course a short pool assessment is required prior to completion of your first checkout dive.

Upon completion you will either be certified as a PADI Open Water Diver by Red Sail Sports, or if you are taking part in the Global or Universal Referral Program we will give you the necessary paperwork to take back to your certifying instructor.

Red Sail Sports offers referral courses for all of the largest recognized diving agencies: PADI, NAUI, IDEA, SSI and SDI.
