 Diving Grand Cayman for over
 25 Years!

PADI OPEN WATER COURSE

Learn to dive with Red Sail Sports in beautiful Grand Cayman!

The PADI eLearning Open Water course is a 3 day program designed to give you all the skills and confidence you need to become a certified, self-sufficient diver.

The theory section of the course is completed through PADI eLearning, on-line in the comfort of your own home prior to arriving - giving you time to study at your own pace.

Contact us to book your dive course and once you arrive in Grand Cayman we will start your in-water training!

This is a 3-day course which is divided into two segments: confined (shallow) water training and open water training, which includes 4 open water training dives made from shore and/or from our custom-built dive boats.

The confined water section is where

we build the foundation of basic Open Water skills, such as mask clearing, dealing with problems and how to avoid them. We then move on to your Open Water Dives which include four training dives made from shore and from our custom-built boats to our beautiful Cayman dive sites.

Once the course is finished you will be certified as a PADI Open Water Diver which is your ticket to dive anywhere in the world!

The Red Sail Dive Team

Okay, I'm interested!! What's Involved?
